Are you happy? Were you happy yesterday? When was the last time you were happy for a whole week? Last year's vacation in a condo on the beach? For most of us, unless we have recently survived a heart attack and are happy to be alive, happiness is associated with certain people or circumstances or environments. We often mistakenly think that physical pleasure or emotional excitement is a lasting source of happiness. Then, too late we realize the price is more than we can afford. In today's readings, the Lord offers an alternative pathway to happiness: eight attitudes of the heart and spirit which result in the only happiness that lasts. We call them the Beatitudes. Are you willing to consider a different kind of happiness than the one you are used to? It's offered freely; but beware: following the Beatitudes may cost you your whole self.

Sanctuary Lights will burn this week for Bob Matte and Chick Fleming.

**Our deepest condolences** to Tom Hooper upon the loss of his sister, *Margaret Smith*. May she and all the souls departed, rest in peace.

**Congratulations, Deacon Reed,** on your 41st Anniversary of the Diaconate Feb. 1)! May you have many more years here at SJB!!

*A little church humor...*

The minister was preoccupied with thoughts of how he was going to ask the congregation to come up with more money for repairs to the church building. Therefore, he was annoyed to find that the regular organist was sick and a substitute had to be brought in at the last minute. The substitute wanted to know what to play. "Here's a copy of the service," he said impatiently, "but you will have to think of something to play after I make the announcements about the finances." When the minister began the announcements, he explained that the roof repairs would cost twice as much as they had expected, and needed \$4,000 more. "If any of you can pledge \$100 or more, please stand up." At that moment, the substitute organist played "The Star Spangled Banner." And that is how the substitute organist became the regular organist!
