The hazards of worship...Worship hazardous? How can that be? Well, true worship is definitely a hazard to self-centered ideas, to prideful egos, to a lust for power and control over others, to greed, to meanness of spirit, to pettiness. And if we are sincere, our worship will result in radical changes in our lifestyle, our level of commitment, and our priorities. In the synagogue where Jesus preached His first sermon, He said that His coming would result in a revolution that would bring liberty to the oppressed. Worshipers hearing Him were confronted with the radical changes He came to bring. That worship service was hazardous to the status quo, a threat to the petrified past...and the results were explosive, part scary, part amazing. Consider today, are we willing to be a part of this risky Christianity? Are we willing to face the hazards of true worship?

Right to Life... "Roe v. Wade has made the child in the womb a nonperson, without rights, until the moment after a 'wanted' delivery. The unborn child lacks even the constitutional protection enjoyed by the worst criminal. Unlike the criminal, the victim of 'reproductive choice' does not get a proper trial." Dr. Wanda Franz

And for those who wish for healing after abortion, there will be a **Retreat for Healing After Abortion** (Rachel's Vineyard Retreat) on March 1-3, 2019 at the St. Charles Center. Prayer for Priests

O Jesus, Eternal Priest, look down with love upon Thy priests. Fill them with burning zeal for the conversion of sinners. Keep them within the shelter of Thy Sacred Heart. Keep unstained their anointed hands which daily touch Thy Sacred Body. Keep unsullied their lips purpled with Thy precious Blood. Keep pure and unearthly their hearts sealed with the sublime marks of Thy glorious priesthood. Let Thy holy love protect them from the world's contagion. Bless their labors with abundant fruit, and may the souls to whom they minister on earth be one day their joy and consolation in heaven. Amen.

PRAY FOR THE HEALING OF OUR COUNTRY!
